

WHAT IS RMARKDOWN?

R Markdown

<https://rmarkdown.rstudio.com/>

The image shows a banner for the R Markdown website. At the top left, it says "R Markdown" in a large, dark font, with "from R Studio" in a smaller font below it. To the right, there is a navigation bar with links: "Get Started", "Gallery", "Formats", "Articles", "Book", "References", and a GitHub icon. The main part of the banner features a collage of overlapping images: a blue background with white mathematical formulas, a map of the United States, a scatter plot with a regression line, and a document snippet titled "More Examples" showing R code and a plot. The text "Analyze. Share. Reproduce." is prominently displayed in a large, white font on a blue background. Below this, in a smaller white font, it says "Your data tells a story. Tell it with R Markdown. Turn your analyses into high quality documents, reports, presentations and dashboards."
