

Define some of the header properties with the user interface

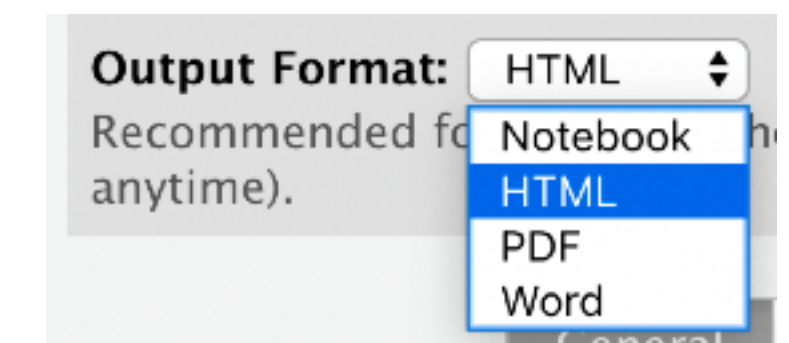

1 Click on the 'cog' icon and select 'Output Options...'

2 For each output format, select the properties you want

To choose header options for another format :

Define some of the header properties with the user interface

- For example, the selected options on GUI on the left will create the header displayed on the right

Edit R Markdown Document Options

Output Format: HTML
Recommended format for authoring (you can switch to PDF or Word output anytime).

General Figures Advanced

☒ Include table of contents
Depth of headers for table of contents: 2

☒ Syntax highlighting: default

☒ Apply theme: cosmo

☐ Apply CSS file:
Browse...
