

# R Markdown

<https://rmarkdown.rstudio.com/>

The banner for the R Markdown website features a light gray header with the title 'R Markdown' and the 'from R Studio' logo. A navigation bar includes links for 'Get Started', 'Gallery', 'Formats', 'Articles', 'Book', and 'References', along with a GitHub icon. The main content area has a blue background with the text 'Analyze. Share. Reproduce.' and a paragraph about R Markdown's capabilities. Overlaid on this are several document thumbnails: one with a map of the United States, another with a 'Diversity gradient' plot, and a third titled 'More Examples' showing R code and a scatter plot.
